

Opening Reception for Art Exhibition "Reclaiming Vistas: Post-9/11 Urban Perspectives"

Friday, September 24, 8:00-10:00 p.m.

In this powerful exhibit curated by Director Marc Lambert, the Puffin Cultural Forum brings together works in various media by New York artists about urban life after 9/11 amidst heightened in/security, ever-changing cityscapes, urban decay, and modern beauty. Some of the artists had studio space in the World Trade Center; some had studios nearby. Through paintings, drawings, collages, photography, multimedia installations, and printmaking, these artists portray the emotional, economic, visual, and social ramifications of this world-changing historic moment as they reach forward with their art and their lives. Artists include Rob Swainston, Pamela Lawton, Todd Stone, Karina Aguilera Skvirsky, and Terrenceo. Opening reception September 24, 8:00-10:00 p.m. includes conversation with the artists. Free and open to the public.

The exhibit runs September 24 through November 19. Regular gallery hours are Mondays through Fridays, 1 to 5 p.m. or by appointment. 20 Puffin Way (formerly Oakdene Ave., off Teaneck Rd.) in Teaneck. Call (201)-836-3499 or visit www.PuffinCulturalForum.org.
